Re: 16312101 Land Pollution Control - St. Clair County

Dear Mr. Clark:

This is to advise you that on April 2, 1973 the Cahokia Trust sold it's Tract #4 in Sauget, Illinois and Tract #5 in the Village of Cahokia Illinois.

These are the areas where we had a letter from you in the past regarding a refuse disposal facility.

Please correct your records to show our new address.

We still own a 90 acre tract on Highway #3 and an 80 acre tract north of the Phillips Petroleum Tank Farm in the Village of Cahokia.

Sincerely,

Cahokia Trust
